Mission Christmas

Following the success of last year's collection of toys we have again agreed to be a collecting point for this charity. We are asking parents to donate at least on toy for any age, boy or girl. The charity helps children living in poverty in the Manchester area. A link is attached for parents to discover more about the charity.

It would help us if these toys could be brought into school from **December 11th**. As you will realise our storage space is very limited.
