

# Kingswood 2017

In February, our Year 5 & 6 class took a trip to Kingswood Residential Park in Penistone.

Our class truly embraced all of the challenges, showing a huge range of skills; from amazing team-work in the very tricky Jacob's Ladder challenge, truly heart-warming support in the testing Leap of Faith to sheer determination in the Abseiling.

Seems as words cannot describe how much fun we had on our 3-day trip, here are a few pictures to show you!

We hope you have as much fun looking at them, as we did taking part in them!
