

Faith visitors and visits

We welcome visitors from faith traditions into our school to develop dialogue and to explore the different religions. The children are aware that these speakers are presenting their own point of view.

We value visiting different places of worship and over the past few years, we have visited the Jewish synagogue and museum in Manchester, a Hindu temple, a Sikh temple and a mosque as well as different churches in Oldham.

We attend our own church every Friday for a family collective worship. We also have our Reception and Key Stage 1 nativities, Carol service, Easter service and Achievers and Leavers End of Year service all in church.

Year 3 and 4 take part in Experience Christmas and Experience Easter at Holy Trinity Church in Dobcross and Year 5 and 6 participate in Experience Pentecost.

Year 6 take part in the Diocese Leavers' Service which is held at Manchester cathedral.

As a school we walk with the church for the procession of witness every Whit Friday.
